July—September 2011

Part of the Morley Team Ministry  
with St Andrew's, Bruntcliffe  
and St Paul's, Morley

The Churches across the Morley Team are taking up Scripture Union's E100 Bible Reading Challenge which is based around 100 carefully selected Bible readings (50 from the Old Testament and 50 from the New Testament) . In all, this journey through the Bible should give participants a good understanding of the overall Bible story from Genesis to Revelation. Starting in May you are invited to follow a programme of 5 bible readings each week. There will be a colour chart to tell you what to read and when. Network Groups can follow up these themes and deepen their understanding as they share together.
